

Rules for Garbage Disposal

There are rules for throwing out your garbage.

If you don't follow the rules, your trash will not be collected.

Uncollected trash must be re-sorted by the person who put it out.

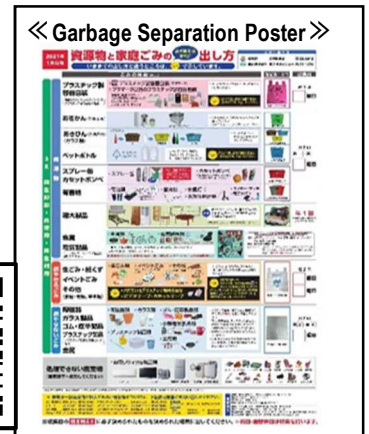

① **Be sure to separate your garbage.**

- Garbage must be separated by type.
- Rules are written on the Garbage Separation Poster.

(See the example to the right.)

- You can download the poster using the QR code displayed here.

The Garbage Separate Poster is available in Portuguese, Vietnamese, Chinese, and English.

② **Be sure to put all garbage in designated bags.**

- There is a designated bag for each type of garbage.
- Purchase garbage bags at city supermarkets, drugstores, and convenience stores.

③ **Dispose of garbage at the designated time and place.**

- Depending on the type of garbage and the neighborhood, there are designated days when you can put out garbage.
- Garbage must be put out by 8:00 am.
- Your garbage station is determined by where you live. Do not dispose of garbage anywhere other than your designated garbage station.

④ **If you don't follow these rules**

- Garbage that is unable to be collected will have a yellow sticker placed on it.

If garbage you put out is not collected, check the reason on the sticker, resort your garbage and try again.

How to Dispose of Recyclables

Recyclables: cans, bottles, PET bottles, spray cans, gas cartridges, hazardous waste (batteries, fluorescent bulbs, lighters, etc.)

① You must separate recyclables.

- Put recyclables in the **designated basket** for each item.
- For details, see the garbage separation poster.

② Use the designated dates and locations.

- Recycling dates occur **twice a month** in each neighborhood.
 - Recyclables must be put out by 8 am.
 - **Designated baskets are put out at the designated site** in the evening before collection.
 - Basket locations are determined by each neighborhood.
- Dispose of recyclables only in your own neighborhood.
 ※If you don't know your neighborhood's recycling location, ask your neighborhood leader (or your apartment manager).
